INTER & CO.'S LETTER.

INTER & CO. received the following

New Orleans correspondents:

in futures today continued to

rise, due most probably to fears

of actual developments within the next

between American and Spanish

and new in the same proportion. Liv-

erpool were steady, and

the same; sales 5000,

closed quiet at the decline. Spots

but dull and easy; sales \$5.

COTTON INTERIOR MOVEMENT.

Movement of cotton at 31 lead-

towns, according to the Chrono-

ment, issued this morning, was as

follows:

REED & SHIPMAN STOCK.

May 14.—The cotton market

but steady, with prices 1 point

higher, and ruled inactive and

throughout the forenoon. Absence

from Liverpool and uncertainty

as to the position of the market in

the waters and both bales and spot

with extreme caution. At 11

market was nervous at a net

2 points. Late in the forenoon

up, but closed quiet at a net

5 points. Total sales were limited

to 1000.

DRIED GOODS.

May 14.—There has been a var-

of the cotton goods market

and aristocratic cloth. Ordered goods are

somewhat firmer. The strength is

due to reports of a prospective

out of production. In other staple

there is a quiet but steady de-

trend.
